Covering the Period

July 1, 2016

Through

September 30, 2016

COMMUNITY NEEDS AND ISSUES

1. CHILDREN AND YOUTH

From inventions to practicing good health, children of all ages are making their presence felt changing the course of the world around them.

2. CRIME

Below the surface of everyday life mischief and mayhem plague America's urban cities and counties.

3. CULTURE/ETHICS

Celebrities and everyday people share their heart felt stories of triumph, courage, and hope.

4. ECONOMY

Americans are experiencing the most challenging economic downturn since the 1929 Depression.

5. EDUCATION

Considered a right and not a privilege the education of America's youth causes division, concern, and hope.

6. GOVERNMENT & POLITICS

Local, State and Federal Governments struggle to meet the needs of constituents amidst a tough economy and intense parties in political battles.

7. HEALTH

Knowledge is the key to long life and discipline the way to healthy living. Experts work out the minds and bodies of the American people.

8. CONSUMER ISSUES

Experts share tips to help consumers in their purchasing power for everything from food and electronics to homes and cars.
